NESAKI 1969

Time it was,
And what a time it was,
It was . . .
A time of innocence,
A time of confidences.
Long ago . . . it must be . . .
I have a photograph.
Preserve your memories;
They're all that's left you.

AUTUMN

Listen . . .
With faint dry sound,
Like steps of passing ghosts,
The leaves, frost-crisp'd break from the trees
And fall.

The force that was most evident during this year's football season was the amount of spirit generated by the team and by the student body. At every assembly the walls reverberated with the sound of cheers. The Booster Day weeks were unusually boisterous and were highlighted by the teachers' skit and concluded with a rainy and disappointing game. However, spirits were not dampened by the rain, and a spontaneous half-time show was presented by the cheerleaders, the band, and the student body. This spirit compensated for the fact that we won only one game. Under the leadership of Coach Crowe and the performance of Geoff Crowther, Steve Korowski, Tom Dawson, Mel Tudryn, and Stan Finn, the players showed an optimism rare for such an underdog team.

This year the girls' field hockey team had a relatively successful season with five wins, three losses, and two ties. The team was carried and spirited by a host of seniors: Debbie Woodruff, Karyn Gutowski, Holly Olander, Kaye Diemand, Peggy Mientka, and Jayne McCarthy; while a number of the opponents' points were averted by goalie Meg Gleason. The J.V. team also had a good season with a 4-4 record.

This year, for the first time, soccer became an intramural sport at Hamp High. Since it was a new sport, no one expected a championship team, but, as Coach Joe Mantagna put it, "The team played much better than expected," and they finished the season with a winning 6-4-2 record. The team boasted five seniors, Chuch O'Connell and Bob Facto, who were the co-captains, Bob Markham, Rudy Woloss, and Dave Murphy. The remainder of the team was comprised of three juniors and fifteen sophomores. Their offense and speed were the players' strong points, while their major weakness was inexperience.

The girls' swim team, under the skillful leadership of Mrs. Jessie Bierwert, ended the season with overwhelming success. Their perseverance, determination, and team spirit enabled them to compile an impressive 4-1 record. This was topped only by their exceptional showing in the Western Mass. Championship meet where the girls won the first place trophy and Karen Bierwert and Gwen Shea each won two blue ribbons.

Activities

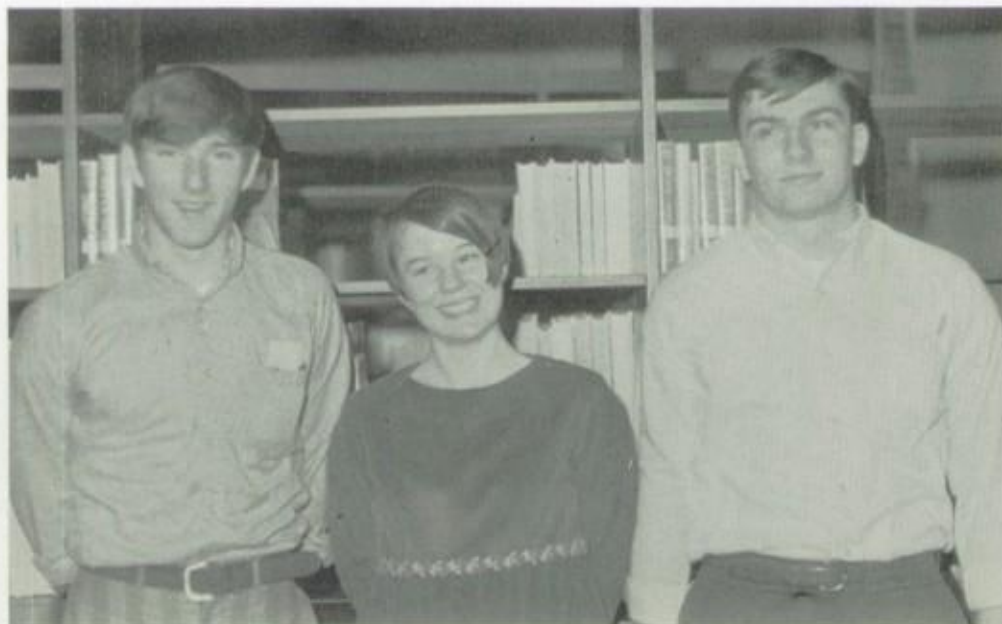

The primary function of the Senior Ways and Means Committee was the organization and running of the social events during the academic year.

Under the supervision of the faculty advisor, Miss O'Leary, occasions such as the Sophomore Reception, the Slave Dance and the Winter Carnival Weekend fell under the Committee's jurisdiction and were presented for the enjoyment of the entire student body. In the spring the Committee was busily engaged in the problems of assembling Class Week festivities as well as selecting the caps and gowns worn on Graduation Night.

In March the Sophomore, Junior, and Senior Dramatic Clubs combined under the direction of Mrs. Keating and Mr. Menousek to put on one of Northampton High School's most ambitious productions to date— "Bells Are Ringing." With Doug Finck and Corinne Corleis leading a cast of over seventy-five, the musical received the most enthusiastic response given any high school play in recent years. The stage and light crews, under the supervision of Ed Soron, Kathy Sheehey, and Bob Kingsley, more than met the demands of this complex play. All involved were happy with the entire production.

Sports

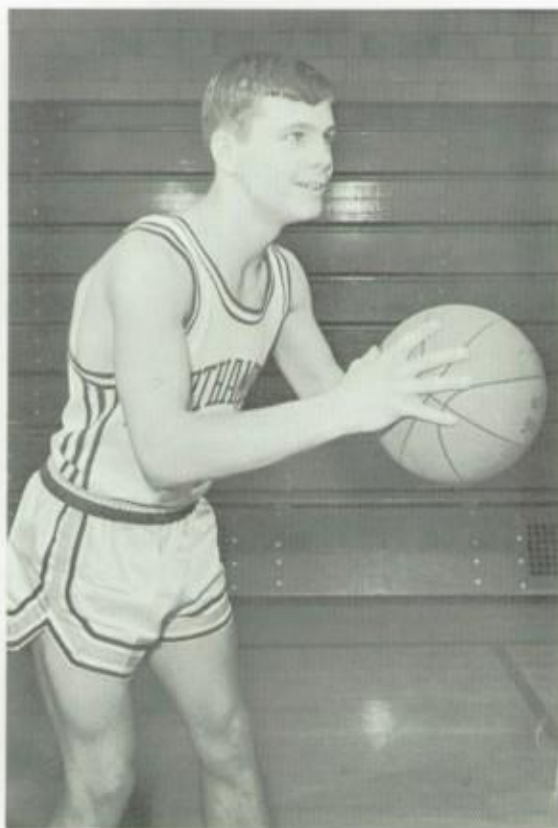

Water doesn't seem to bother some people, but it often got in the way of our speedy splashers this year, holding them back to a 4-9 record. However, the team of 20 swimmers under Coach Jessie Bierwert, placed eighth out of 14 teams in the Western Mass. Championships and went on to place four swimmers in the State Meet. Steve Harding, a Western Mass. All-Star, traveled to the New England Championships, where he placed sixth in the 100-yard freestyle. With only five swimmers leaving this year, perhaps next year's time will be able to overcome their difficulties with water and match this year's record.

The basketball team was dynamically led by Coach Frank Richiedei through a dismal but nevertheless exciting season. Facing great odds, the players provided sports fans with many a thrilling moment. Such players as Mel Tudryn, Chuck O'Connell, Steve Woodruff, Kim Tuit, co-captain Steve Korowski, and co-captain Kevin O'Connell contributed their best in many spirited games. To quote Coach Richiedei at his final awards assembly, "We had a lot of fun. We may not have won many games, but we had the most fun in the league." Coach Richiedei did an impressive job during his last season and will undoubtedly be greatly missed next year.

The Girls' Basketball team, under the skillful guidance of Kathleen Marinangel, had an admirable season this year. With such outstanding players as Eileen Sullivan, Patti Ritter, Karen Ceckowski, and Linda Asselin, our girls won justifiable praise from rival teams. Their team spirit led to many exciting and unforgettable games and caused much comment on their sportsmanship.

Curran, G. Grygorcewicz, J. Winski.

Winter is a crazy time to be outside running anywhere, but to run around Childs Park in blue pajamas in the middle of winter takes determination, guts, and a bit of mental instability. Our winter track team must have possessed all three of these qualities, since that is how they spent much of their time this winter. An extensive weight program was set up for the 30 team members to help their early spring training. In the only meet of the season on the first of February at Boston Garden, Tom Levesque and Mike Bilsza each placed fifth in their respective events — the 300-yard run and the shot-put. This certainly helped to make up for all that freezing and numbness!

SKI TEAM Front Row: B. Elkins. Row 2: C. Strom, K. Willnauer, J. Alden, S. St. John, Coach Hurlbut, C. Tornow, G. Manning.

This winter the Ski Team under coach Richard Hurlburt weathered a season that was pretty weatherless, at least in the fresh snow department. The Great Skier in the Sky came through with two big snowstorms in 1969 — both post season and of little use to the team. Nobody's perfect.

Co-captains Chip Tornow and Steve St. John were the most consistent and most interesting, respectively. In all but one of the season's nine meets, Chip donated a time to the four which determined the team's score; he averaged about 33 seconds per course. Then there was Steve. Several years ago a champion U.S. and Olympic skier coined a unique style of racing. More often than not he would break the monotony of a perfect, lightning-fast run with a tremendous and singular fall. Whether St. John intended to adopt that style or not, he did. Nevertheless, he held his own, whether standing up or sitting down, and finished in the top four in a half dozen races. With two times well under 30 seconds and several in the low thirties, Keith Willnauer had the best yearly average of 32.4. Gary Manning finished in the upper half in four meets and clinched a meet for Hamp early in the season. The fifth skier on the team, Pete Land, skied well in the meets in which he participated. Juniors John Alden and Bob Elkins raced regularly; Chuck Dutton practiced faithfully but never got a chance to perform, and John Rogers appeared in one meet. Sophomores Cliff Strom, Dave Tornow, Andy Laband, and Steve Mulvaney had a combined average of 34 seconds in their various races.

Enduring a winter that was more like the postman's creed than a ski season, the Hamp team turned in a 5-4 record for a fourth place in a field of ten. In March, Keith Willnauer and Steve St. John finished fifth and twelfth out of 75 top high school racers in the annual regional meet.

An outstanding performance illustrated by a perfect record and the capturing of the Valley League title marked the NHS track team this year. Led by coaches Robert Sullivan and Robert Delue, the team was carried by such consistent performers as Tom Levesque, Carl Matuszek, Steve Murawski, Ed Dzenis, and Dave Ryan, and by the participants in the weight events: shot put, javelin, and discus. In the Western Mass. event at Springfield College the boys from NHS placed fourth, and in an invitational meet at West Springfield High School they placed second.

The girls' softball team coached by Mrs. Marinangel had a record of one win and nine losses this year. Their only victory was over previously undefeated Holyoke in the last game of the season. The major factor contributing to this losing season was a late start in practice, for talent was evident in such players as seniors Eileen Sullivan, Ellen Clark, Sue McClellan, Pattie Ritter, and Kaye Diemand.

Competing at the Northampton Country Club under Valley League rules, the 1969 golf team coached by Mr. Edward Parsons had a record of five wins, five losses, and one tie. The team consisted of seniors Jay Krenwinkle, Richard Duseau, Steve Korowski, and six juniors.

The baseball team under the direction of Mr. Zebrowski ended the season this year with an overall record of 8-7 and a Valley League record of 7-7. The team, led by seniors Mel Tudryn, Steve Stradinski, Dennis Olley, and Ed Chagnon, proved its athletic ability and thereby acquired its good standing. With such underclassmen as lead hitter Ray Baye supplying the power, next year's team seems to show much promise.
